

SHIPPING

Shipping of perishable items will be handled by American Floral Cargo. All non-perishable and hard goods exhibit materials should be shipped to the Alliance advanced warehouse through the Exhibitor Kit Portal. Please follow the directions exactly and email [Cathy Vick](mailto:Cathy.Vick@americanfloralcargo.com) if you have any questions. **Your personalized shipping labels for American Floral Cargo are at the bottom of this email.** Please indicate the number of boxes and print the label as many times as needed. Ensure your company name and Table Top number are not obscured on your packages. Shipping labels to the Alliances warehouse can be found in the Alliance Worldwide Exposition Portal.

Shipping to American Floral Cargo:

American Floral Cargo has graciously volunteered to receive shipments for the 2024 WF&FSA Floral Distribution Conference Table Top Exhibitors.

You must prepay your shipping charges to the shipper. American Floral Cargo is volunteering their receiving services, so we do not want them to incur any costs. Therefore, they cannot and will not accept materials that have shipping charges due. American Floral Cargo is not responsible for any transportation getting your products to them - that is your responsibility as they are only receiving the items!

AFC will be conducting quality control on all shipments received. Someone at AFC will contact you if your shipped product arrives damaged.

All shipments, regardless of transportation type, need to reach AFC by Friday, March 1, 2024, by 3:00 PM EST.

American Floral Cargo can be reached at (305) 463-0431 or shipping@americanfloralcargo.com. Specific contact information is listed below:
